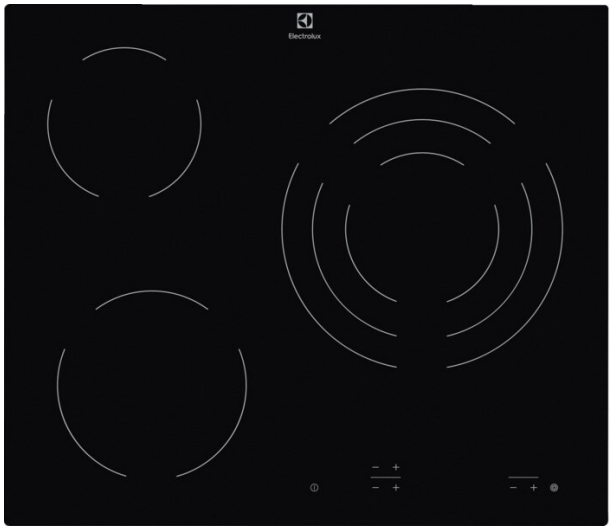
300 Radiant Hob Ceramic Glass Hob

EHF6232IOK



Enjoy the space and freedom to cook whatever you want
Use large pots and pans like a professional chef! The extra-large paella cooking zone on this hob gives you the freedom to easily prepare all kinds of dishes requiring large pans.

Product Benefits & Features

Direct access to all your controls - thanks to the on-hob panel
This hob's controls are designed so that you can always access them straight away. Just reach over and make your adjustments.

Always know exactly which zone is still hot
With this hob, you always know exactly which zones are still hot, thanks to the residual heat indicators, which cleverly reveal where the heat is.

The wipe-down surface
The ceramic glass surface of this hob is so easy to clean. A simple wipe, and you are done.

The versatility to install your hob anywhere you want to
Because this hob is independent, you have way more flexibility to install it wherever you want to. Choose the location that suits your cooking style.
