

Technical drawing of a door frame assembly. The drawing shows a cross-section of a door frame with a door leaf. Key dimensions and components are labeled:

- 595**: Width of the door leaf.
- 615**: Height of the door leaf.
- ≥ 0** : Dimension indicating the gap between the door leaf and the frame on the left side.
- ≥ 20** : Dimension indicating the gap between the door leaf and the frame on the right side.
- 125°**: Angle of the door leaf opening, indicated by a dashed arc.

Technical drawing of a door assembly. The main drawing shows a door with a width of 1200 and a height of 1238. The door is divided into two panels, each 595 wide. The distance from the top edge to the center of the door is 728, and the distance from the center to the bottom edge is 615. A detail view A is shown, which is a cross-section of the door assembly, showing the door frame, the door panel, and the hinge mechanism.
